

PROFESSIONAL COMMUNICATION & INTERPERSONAL SKILLS

INTRODUCTION

Many people believe good communicators are "born" with the skill, and that only a few "lucky people" possesses outstanding communicating abilities. In today's competitive business world and difficult economic, lucid, effective communication is more essential than ever before. It is the foundation on which organizations and careers are built and a crucial component of lasting success. Whether it is a face-face conversation or a professionally written e-mail exchange, a meaningful message entails establishing a connection that leaves a powerful impression. This program is designed for individuals, team leaders and managers who need to and want to ensure that they are maximizing their ability to communicate and work with others, avoiding conflict and disharmony. The program allows the delegates to identify and adapt their communication style. Ability to listen and comprehend the intention/ message behind the words used by others will be improved. The delegates will be able to identify ways to talk with other people in a manner that relates to them and their particular style.
