RESOURCE PERSON

Dr. Avinash Khan is a graduate of International Medical University. Currently, he is Assistant Director of Occupational Health at Department of Occupational Safety & Health (DOSHS) since February 2011. Along with enforcing the Occupational Safety & Health Act 1994 and Factory and Machinery Act 1967, his job scope includes OSH audits with emphasis on workers' health, investigation of work-related diseases, Safety and Health Officer training, implementation of OSH management systems and consultation with various industries on OSH-related issues. He believes his passion for pursuing better OSH practices among both employers and employees will help transform the Malaysian OSH landscape.
