

HR SKILLS

SABAH SKILLS & TECHNOLOGY CENTRE

OBJECTIVES

The Human Resource Department hardly gets the spotlight on them. Other popular departments such as Marketing and Operations are normally the area of locus. However, the HR Department is indeed the backbone of the organisation unless the organisation can make do without their employees. But managing and working in a HR Department is not an easy task, it requires various skills and people management. This comprehensive course includes various essential skills needed for beginners in a HR Department. The participants should aim to:
