Lifting Operator, Signal-man (dogger), supervisors, safety & health officer.

### RESOURCE PERSON

**Mohd. Jaafar** started his working career in Bintulu port in 1984 as fireman until 1990. Thought of expending his career, he was promoted as Operation Clerk (cum Rigger & on board / on wharf signalling) also in Bintulu port. Due to his credibility and passion, he once again given an opportunity to go for another level of his career in Bintulu port as appliance operator and able to operate Gentry crane (container crane, rubber tyre crane, mobile harbour crane HMK 260E), reach stacker, container forklift and industry forklift. After so many years in the service industry, and his passion on this line, he would love to share his experience and knowledge with other which lead him to become a skill trainer begun in early February 2012 to June 2013 at SMTC, Miri and promoted in the same company as Senior Trainer in 2013. Now he is able to conduct offshore and onshore training such as Rigging & Slings, Forklift Training, Mobile elevated work platform, Lifting Equipment and appliances inspection and Lifting Equipment Focal Point (LEFP) and many more.
